Because California is a popular destination, attractions book solid far ahead of time. We have chosen a non-peak season time to hopefully avoid the large crowds, but still we must move rather quickly.

By May 15<sup>th</sup> decisions must be made and a 50% non-refundable deposit paid. Remaining balance is due June 25<sup>th</sup>. Non-payment by due date is considered cancellation. Late cancellation charge (after June 25<sup>th</sup>) is 100% of trip price. As always, I recommend you consider trip insurance.

Because California Tours does not book flights and because we are going to San Francisco, not a foreign country, each person will book his or her own flight. Various flights will be recommended so that all guests arrive in San Francisco within a two hour period and can all be picked up together.

If you are interested, as I hope many of you are, contact SuEllen Kirk, cell # 318-433-3549 and email [kirkdaddy10@yahoo.com](mailto:kirkdaddy10@yahoo.com). She will be handling gathering of information, payment of deposits and balance, and any questions or concerns.

So come join us as we put our toes in the cold waters of the Pacific, gaze upward at the majestic redwoods, stroll through the fertile valleys of Napa, and enjoy the moments with friends and family all along the way.
