

Dear Sisters and Brothers:

*Where is he that is born King of the Jews? For we have seen his star in the east, and are come to worship him. Matthew 2:2*

As Christmas draws near we think of the first Star of the East that shined down from Heaven and the greatest gift of love that has ever been given. That same Star reflects its message of peace and good will while we rejoice **LIFE'S TREASURES** as we remember Him whose birthday we celebrate.

### **The Star**

Millions, yes millions of twinkling stars,  
But one over the manger was brighter by far.  
It led kings and shepherds, showed them the way,  
To Baby Jesus, Born Christmas day.  
The shepherds brought lambs to honor the birth;  
The kings have gold, frankincense and myrrh.  
Today we still worship and bring our gifts, too,  
To Jesus the Christ Child our love to renew.

By: Moyer Gilmour

May those of us who follow His Star in the East, have Christmas in our hearts the whole year through. May the once-a-year joy of Christmas return to you in treasured memories throughout the year. The Watson-Vanderhoof Grand Family wish you and yours a Merry Christmas and a Happy New Year!
